

I Am George Floyd Assignment

You will view a webinar entitled, "I Am George Floyd: Reflections and Strategies for Anti-Racism Across Minnesota State" hosted by the Minnesota State Indigenous Men & Men of Color Work Group.

The "I Am George Floyd" webinar was Wed, 3 June, 2020. The webinar runs about 1.5 hours. Students should watch at least an hour of the webinar. The link for the webinar is found in the Content module.

First, write two paragraphs (about 200 words) on what you saw and heard from three of the presenters. What stands out to you?

Second, apply three or four sociological concepts and/or theories that we have studied or are currently studying. How does sociology help one to understand racism more deeply and how to confront it?
